REGULATION FOR THE ORGANIZATION OF EXAMS

for academic year 2023-2024

International Department
Course: Philosophy

For students specializing in training in 31.05.01. General Medicine

The procedure of the Exam at the International Department is carried out in accordance with the requirements of the Regulation "On the System of the Quality Control of Education" CMK-OC-03-ПД-00.02-2020

Regulation for the organization of an exam

1. Examination in academic courses is conducted in the form of testing and interview on examination cards. Each exam card contains two theoretical questions and a Case Study task. The questions for interviews as well as sample Case Study tasks are posted on the Department's page at the University's website.
2. To answer the exam card, no more than 0,5 hour per student on average is provided. To do the task in the exam card, no more than 1 academic hour on average is provided.
3. During the examination the Examiner has the right to ask the student additional questions that are not included in the card to clarify the mark, within the work program of the course (including topics of missed classes and lectures as well as topics rated as "unsatisfactory" in the classroom).
