REGULATION FOR THE ORGANIZATION OF CREDITS

for academic year 2023-2024

International Department

Courses: History (History of Russia, General History), Fundamentals of Russian statehood, Cultural Studies, RFL Initial course, RFL Basic course, RFL Advanced course, Legal Studies, Psychology and Pedagogy, Latin language, Medical Russian language, Social Studies, Economics, Life Safety, History of medicine.

For students specializing in training in 31.05.01. General Medicine

The credit procedure at the International Department is carried out in accordance with the requirements of the Regulation "On the System of the Quality Control of Education" CMK-OC-03-ПД-00.02-2020

Regulation for the organization of a credit

1. Intermediate certification in the form of a credit in academic courses is conducted at the termination of the course during the final class or lecture (its date and time can be changed taking into account the date of the lecture course's termination).
2. A credit is conducted using assessment tools in accordance with the approved fund of assessment tools of the course. The credit questions are located on the International Department's page at the University's website and at the information stand of the International Department.
3. The time provided for preparing an answer is no more than 20 minutes.
4. During the credit interview the tutor has the right to ask the student additional questions that are not included in the card to clarify the mark, within the work program of the course (including topics of missed classes and lectures as well as topics rated as "unsatisfactory" in the classroom).
5. The complete mastering of the work program's modules by the student provides a ground for certification based on the current performance results.
